Cheerleaders

These energetic six are the main link between the pirate teams and the student body. They have helped boost the school spirit that has been lacking in the past few years. Their publicity of all games and their numerous pep rallies were very successful.

The Pledge Derby

Mother told me there'd be fires like this.

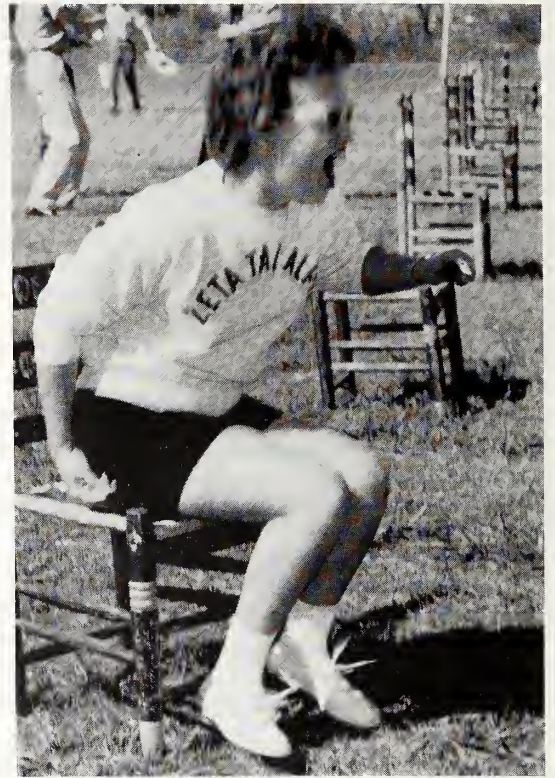

Alpha Delta Pi Beauty

Here it comes . . . Here it comes . . . splat!

I only allow myself one temper tantrum a day.

Did you girls leave by the front door in pants?

I'm gonna knock your haid cleen off?

Sunday lunch in the commons.

O.K. Where's the wise guy who swiped my bermudas?

Look out! It may get out of control.

The honor code says all chairs must be 10 feet apart.

Bottoms up!!

Our All-School
beauty.

Congratulations, Genelda Thermer.

Yes dear, you've won
the football throw.

Hey psst! You got a match?

How in the hall do you get anything done?

Signing Preference Cards Ends A Hectic Week

What do you mean they don't have a chapter here? Pi Phi was my first choice!!

Five bells—fire alarm!

Well, she told us she was an alum.

**Registration -
An experience
the freshmen
won't forget**

But you don't understand . . . I simply can't carry more than 26 hours.

Even Dr. Finch doesn't believe that, Dean Mitten.

But couldn't they even change one class for me?

Let's see pool 348 comes at the right time.

**At T. G. I. S.
- everybody
relaxed?**

String it, girls, don't eat it!

We can play louder than you guys, see?

Which twin has the trophy?

Our Dean of Women is a Woman.

Do you want this coke or not?

Is that the same joke you told in class Friday?

The old house just doesn't look the same, does it, John?

Earl must know what's in the salad.

Don't let go, Mildred, the stairs will fall!

Home was never like this.

Jim volunteers for K. P.

At long last! A ship!

Meanwhile, back at P.O.W. camp. . .

That's what I call really roughing it—no mattresses.

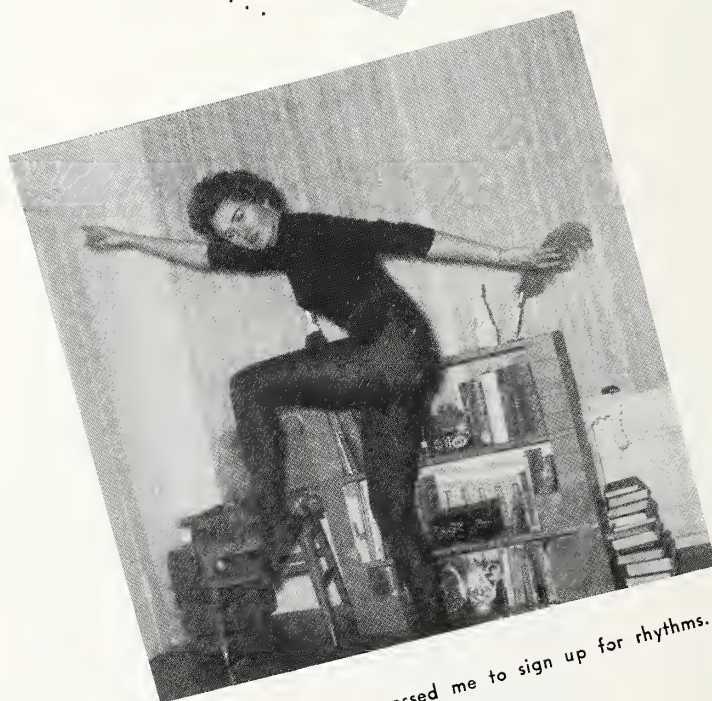

You see, it's like this—we can't get our anchor up.

Yes, Gus, that's right, 18 hamburgers, and . . .

The Kingston Trio will fade out of existence when these three hit the big time.

What ever possessed me to sign up for rhythms.

It was the sixth one for the road that got you, Bill.

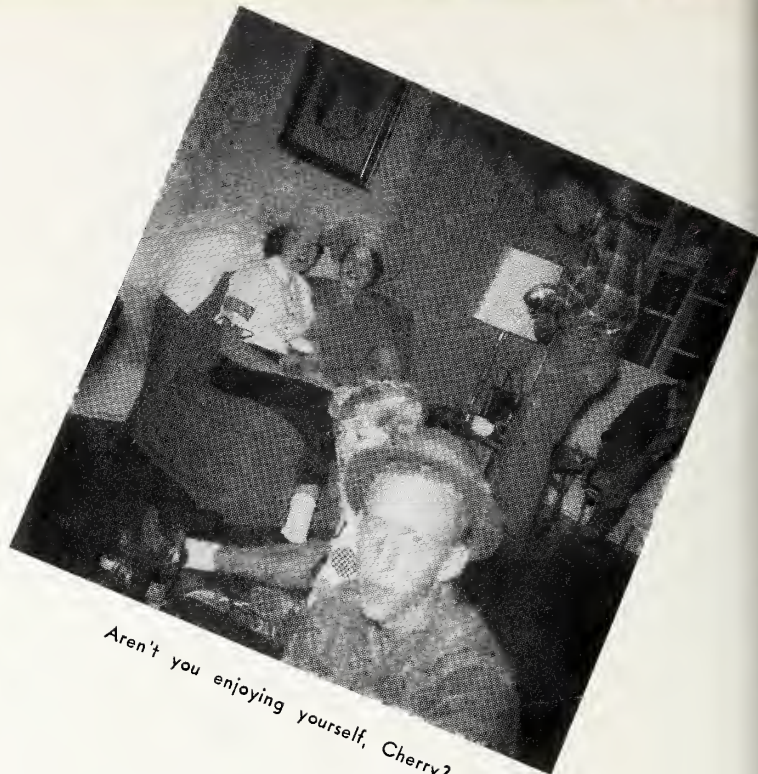

Aw, you know you love it.

How would the team live through the crushing defeats without their cheerful smiles?

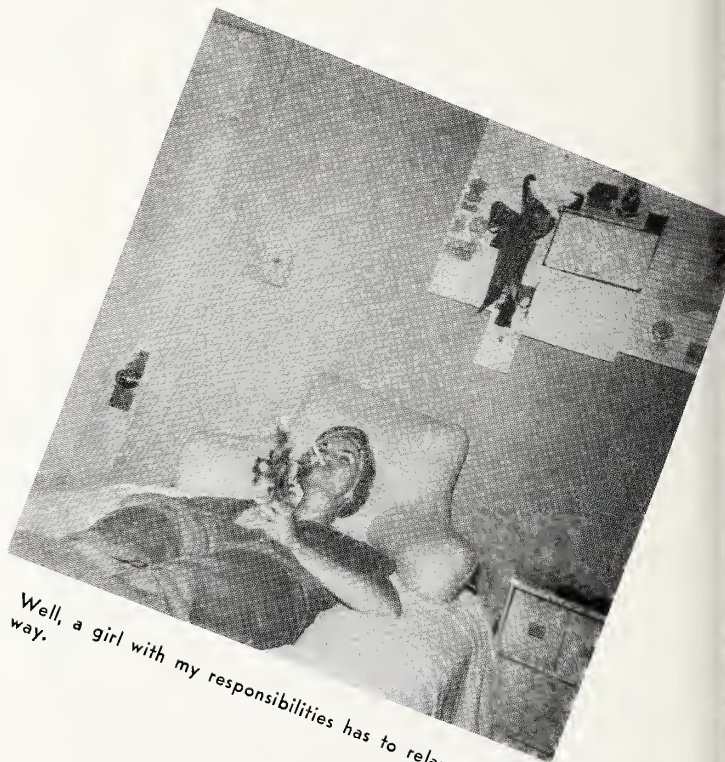

Yep, they're really shrimp, O.K.

Aren't you enjoying yourself, Cherry?

O.K., cut the gab and bring on the food.

Well, a girl with my responsibilities has to relax some way.

For once, Buck is speechless.

Ohhh, Ernie!

And now, our personal interview with Paladin—and date.

M-I-C-K-E-Y

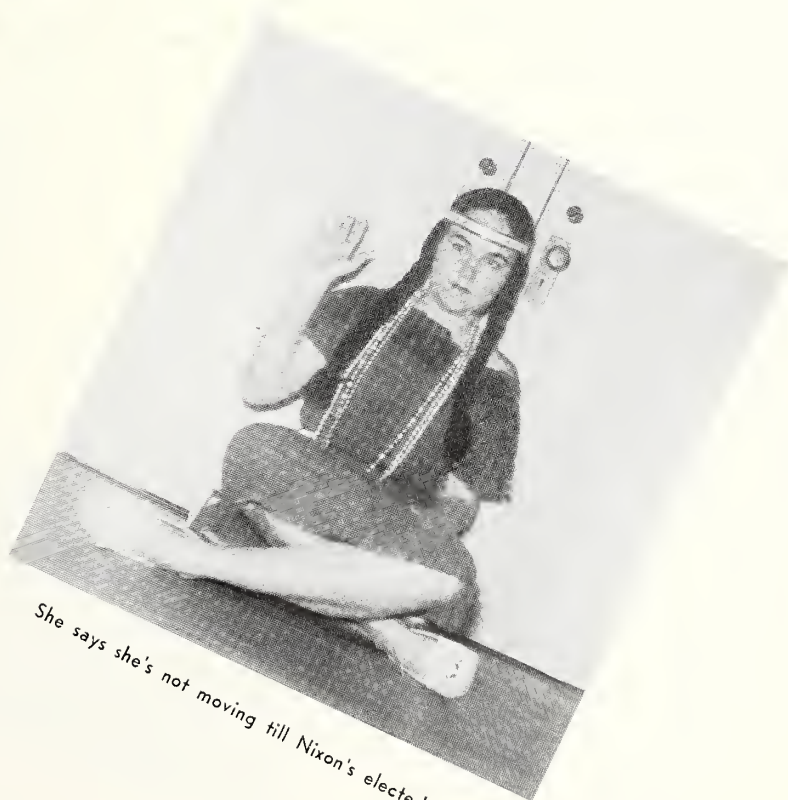

As you can see, boys, there is a casual, relax atmosphere on the wings—

Well, I really hadn't thought about having my picture made

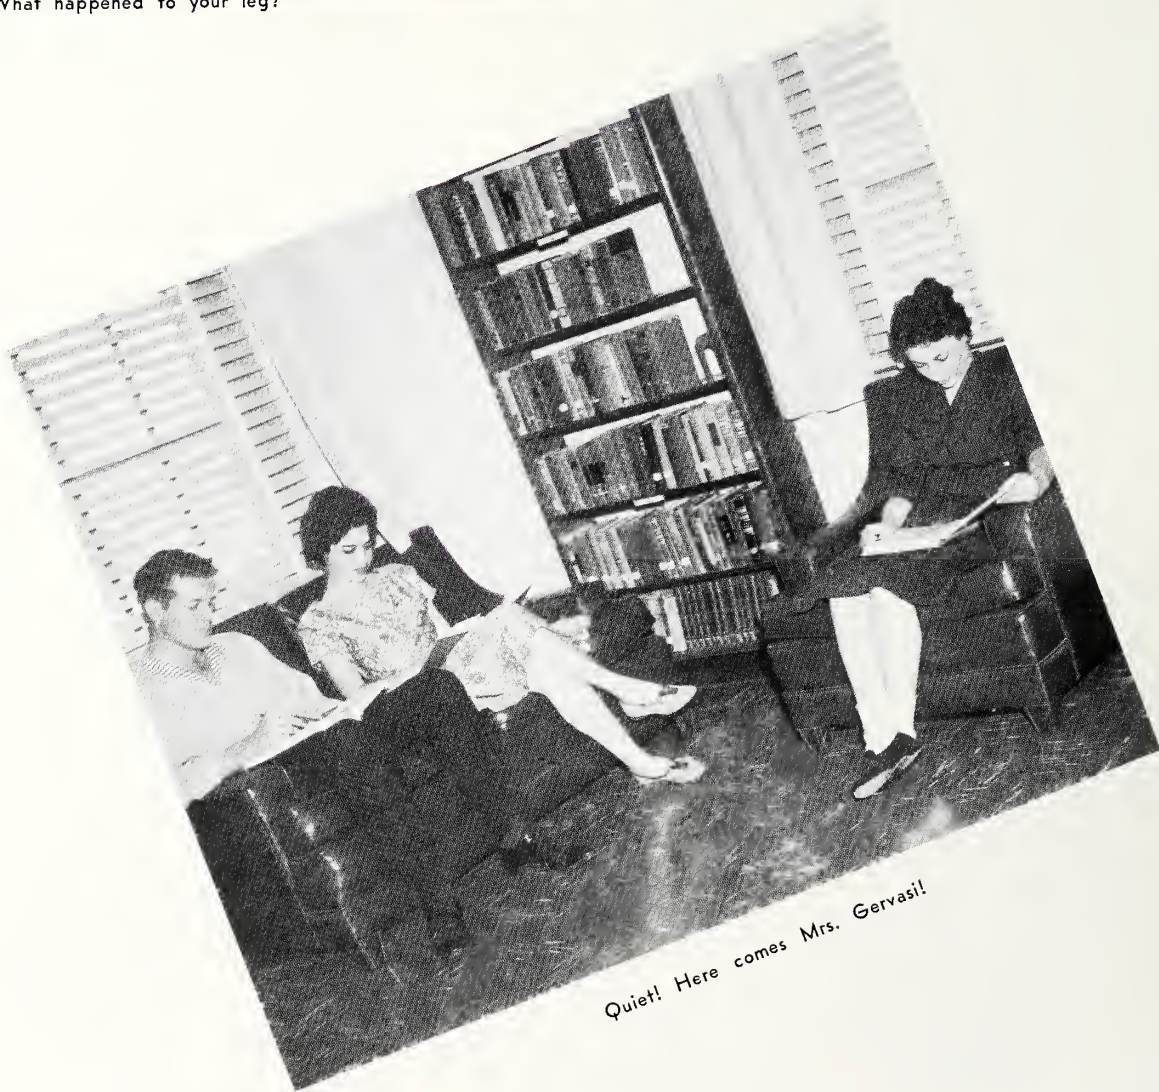

Yes sir, Dr. Finch, nothing like a good cold glass of tap beer.

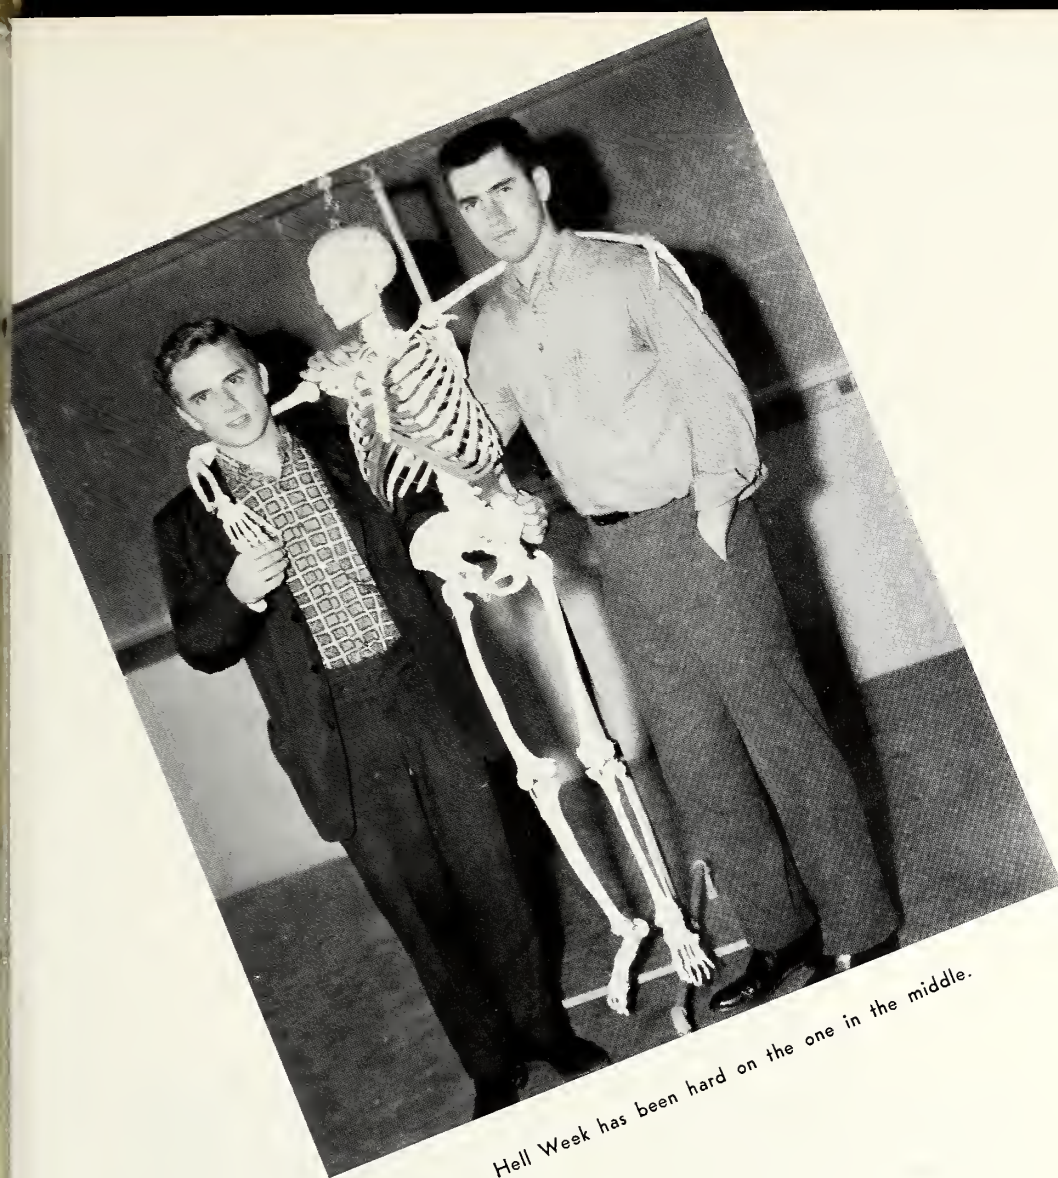

She says she's not moving till Nixon's elected.

Boogie! What happened to your leg?

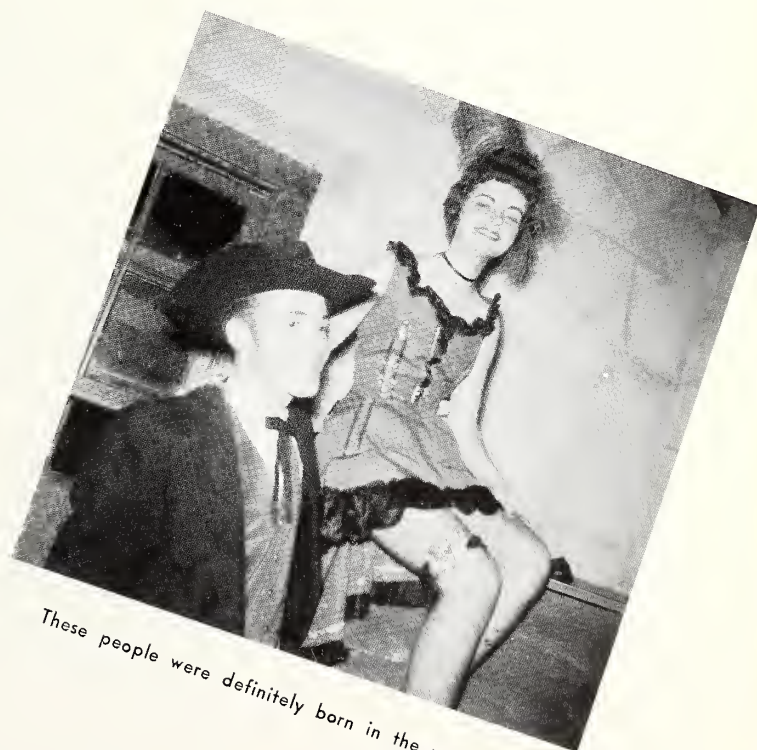

Quiet! Here comes Mrs. Gervasi!

Hell Week has been hard on the one in the middle.

But must you fire that thing every morning at 6:30?

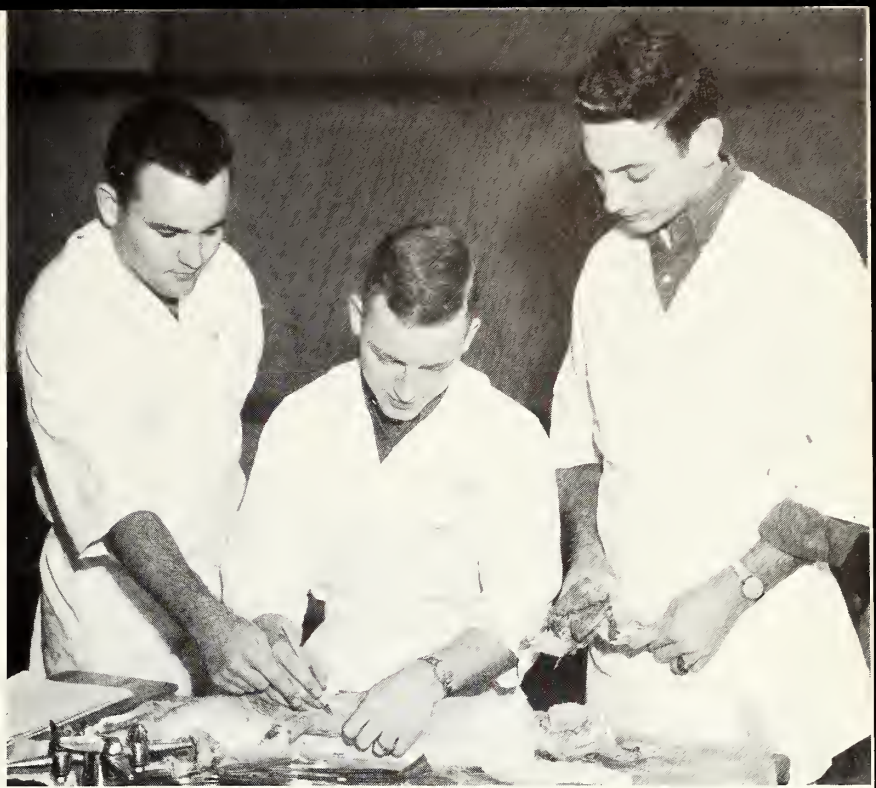

These people were definitely born in the wrong era.

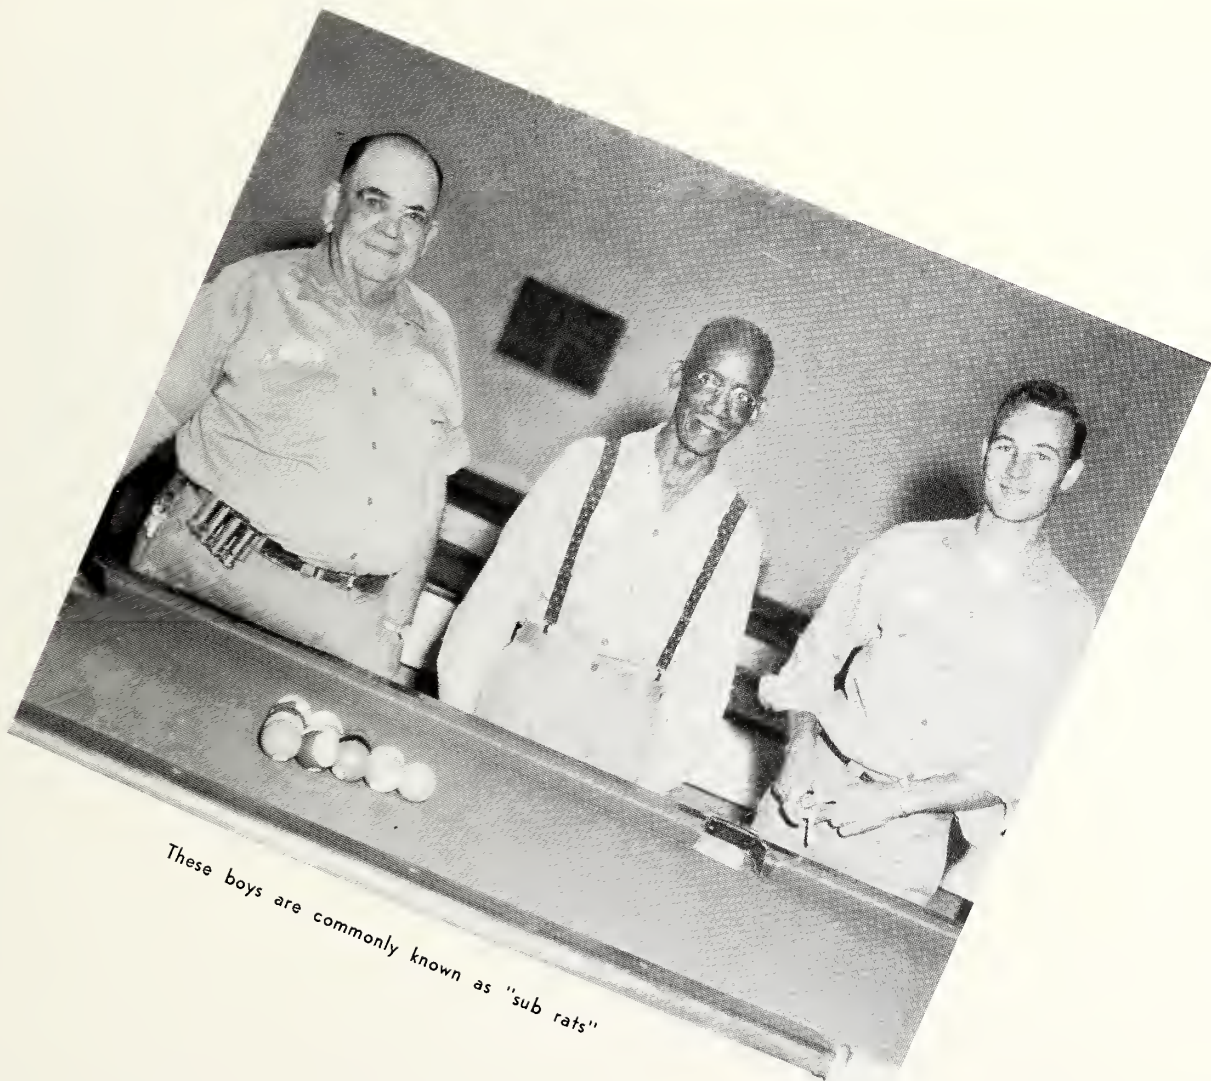

Yes, being annual editor is a big responsibility. . . .

It's the after-dinner-domino group.

The directions said cut along the dotted line.

These boys are commonly known as "sub rats"

Sorry, Mary, maybe you'll win again next year.

No, I'll never forget mail pickup again.

Child's conception of Santa and Mrs. Claus.

Oh, Hello!

But I've never had my picture made before.

In a Phi Delt bungalow. . . .

Don't just stand there grinning—I want a cheeseburger.

And pledge line is the most fun of all.

So it's Valentine's day—so?

Thanks, Sweetie.

Lovey, we'd know you any where.

Don't bother me—I'm busy.

Please, no more applause.

But why doesn't anybody ever bother the one in the striped shirt?

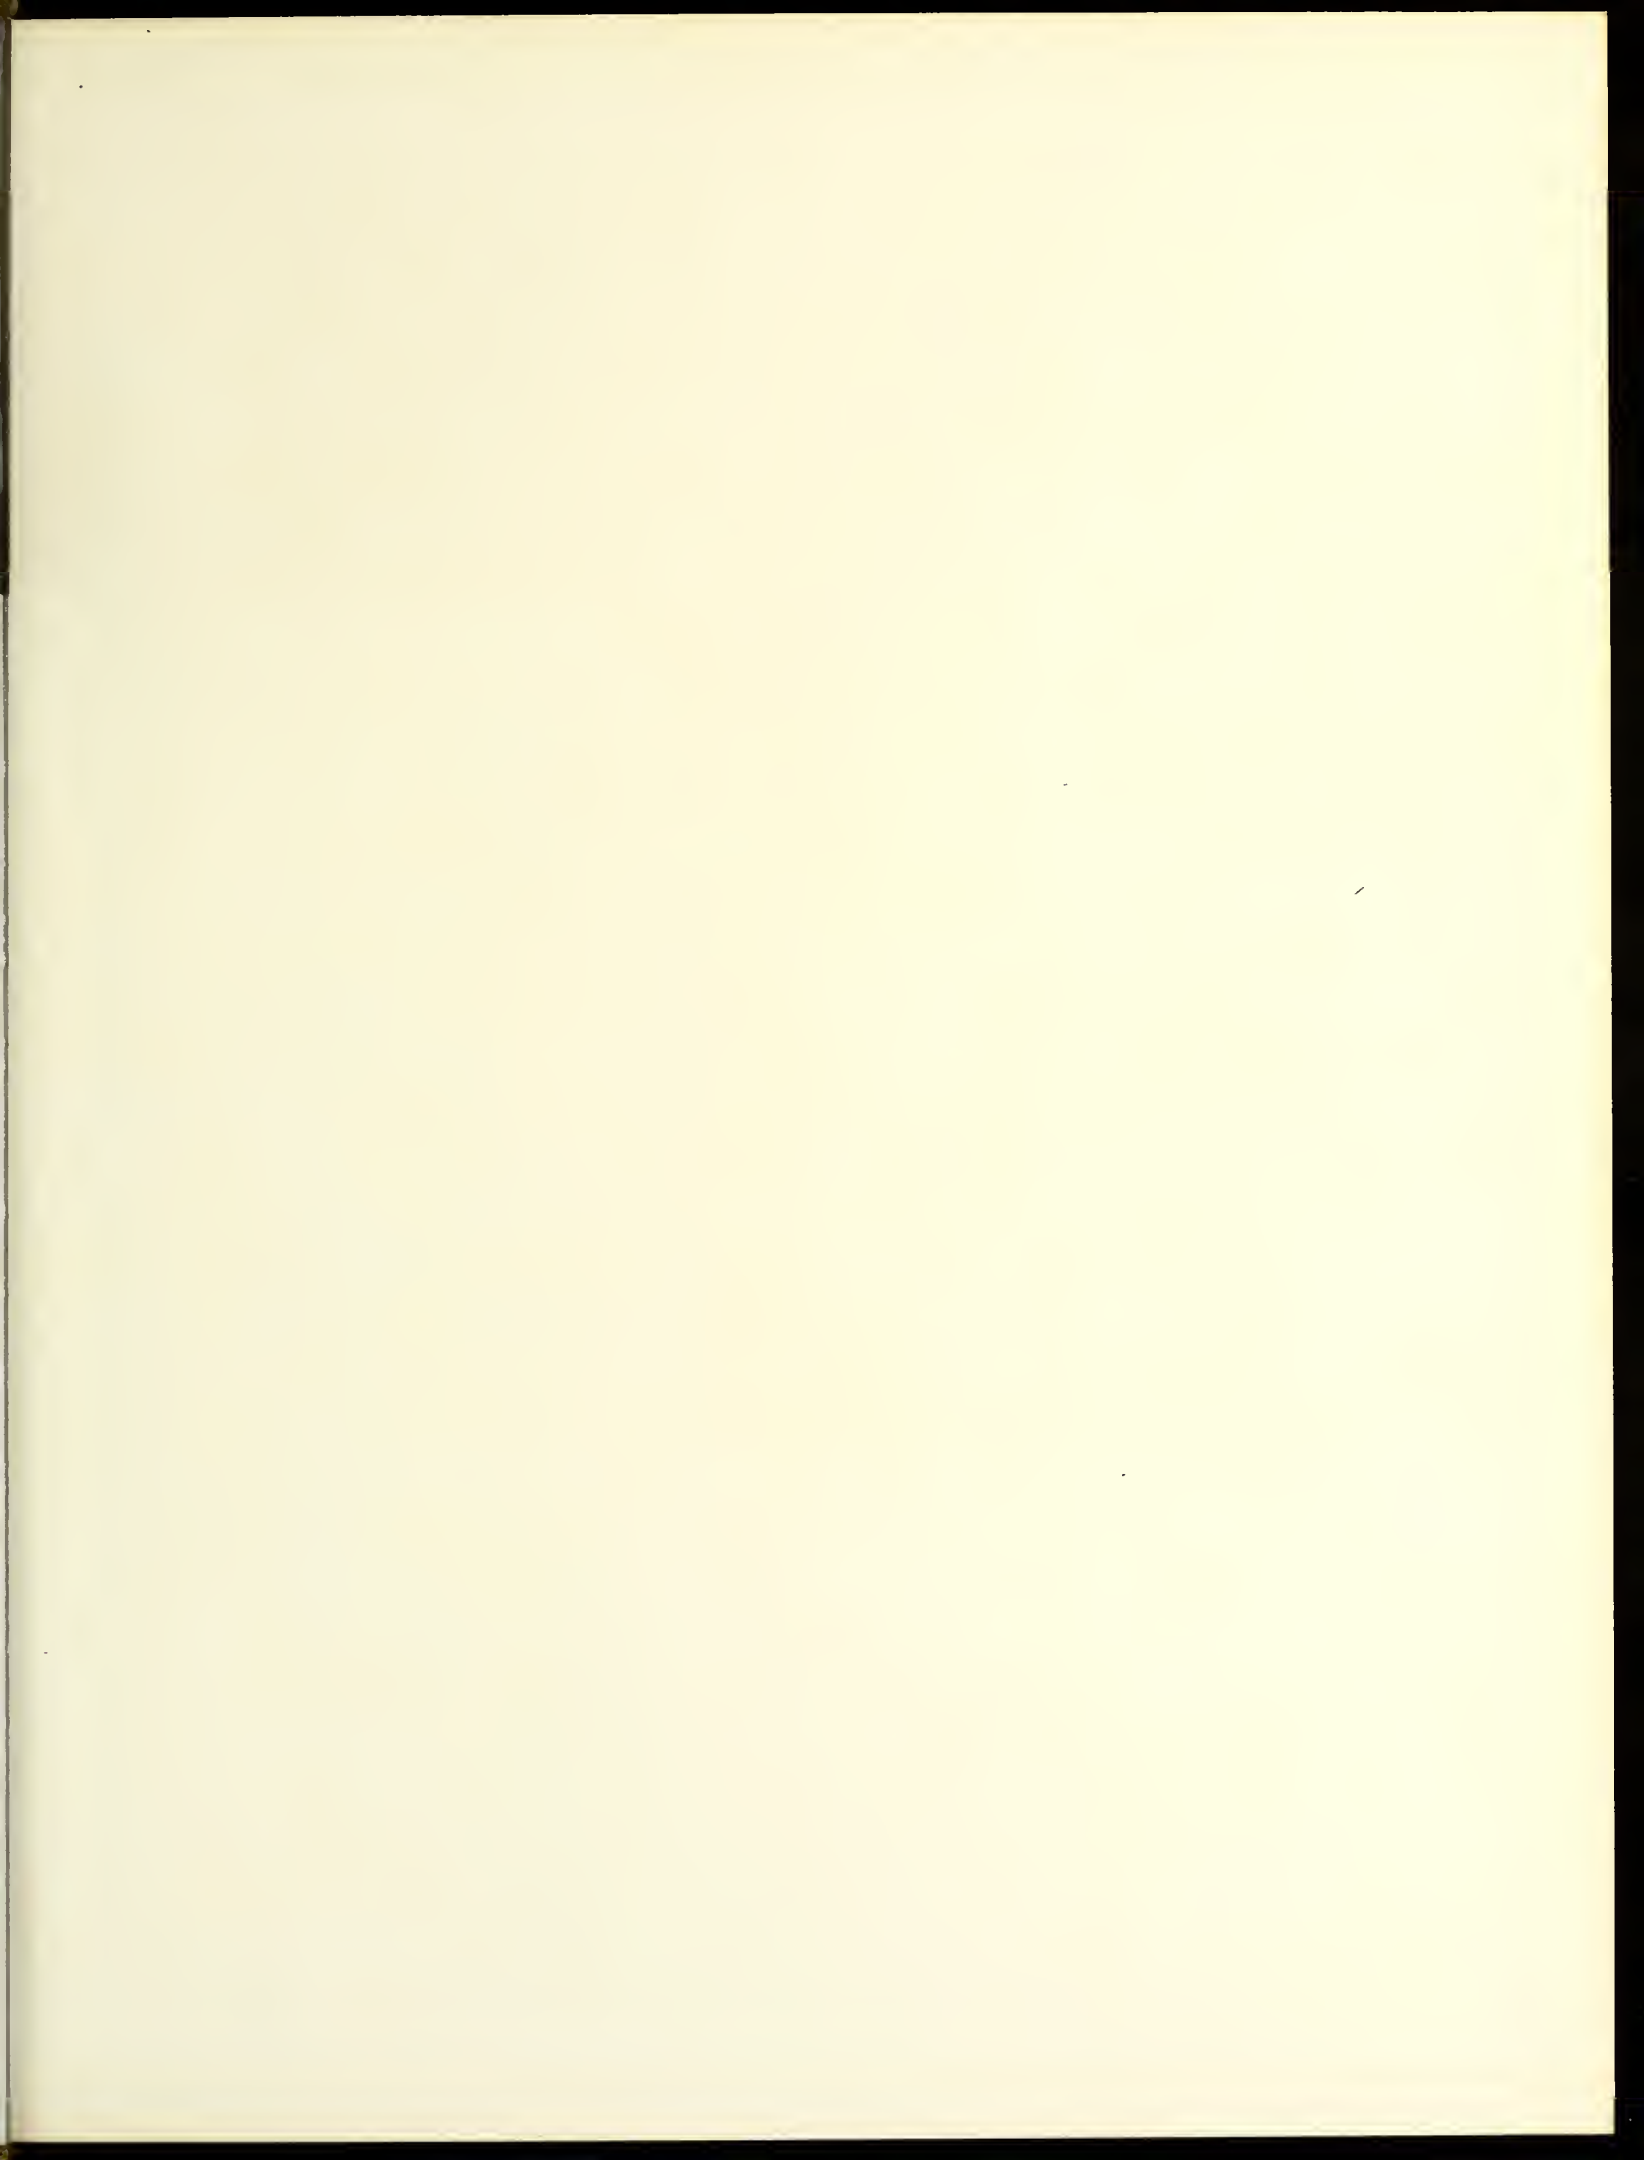

Nancy seems to be trying to
communicate with us.

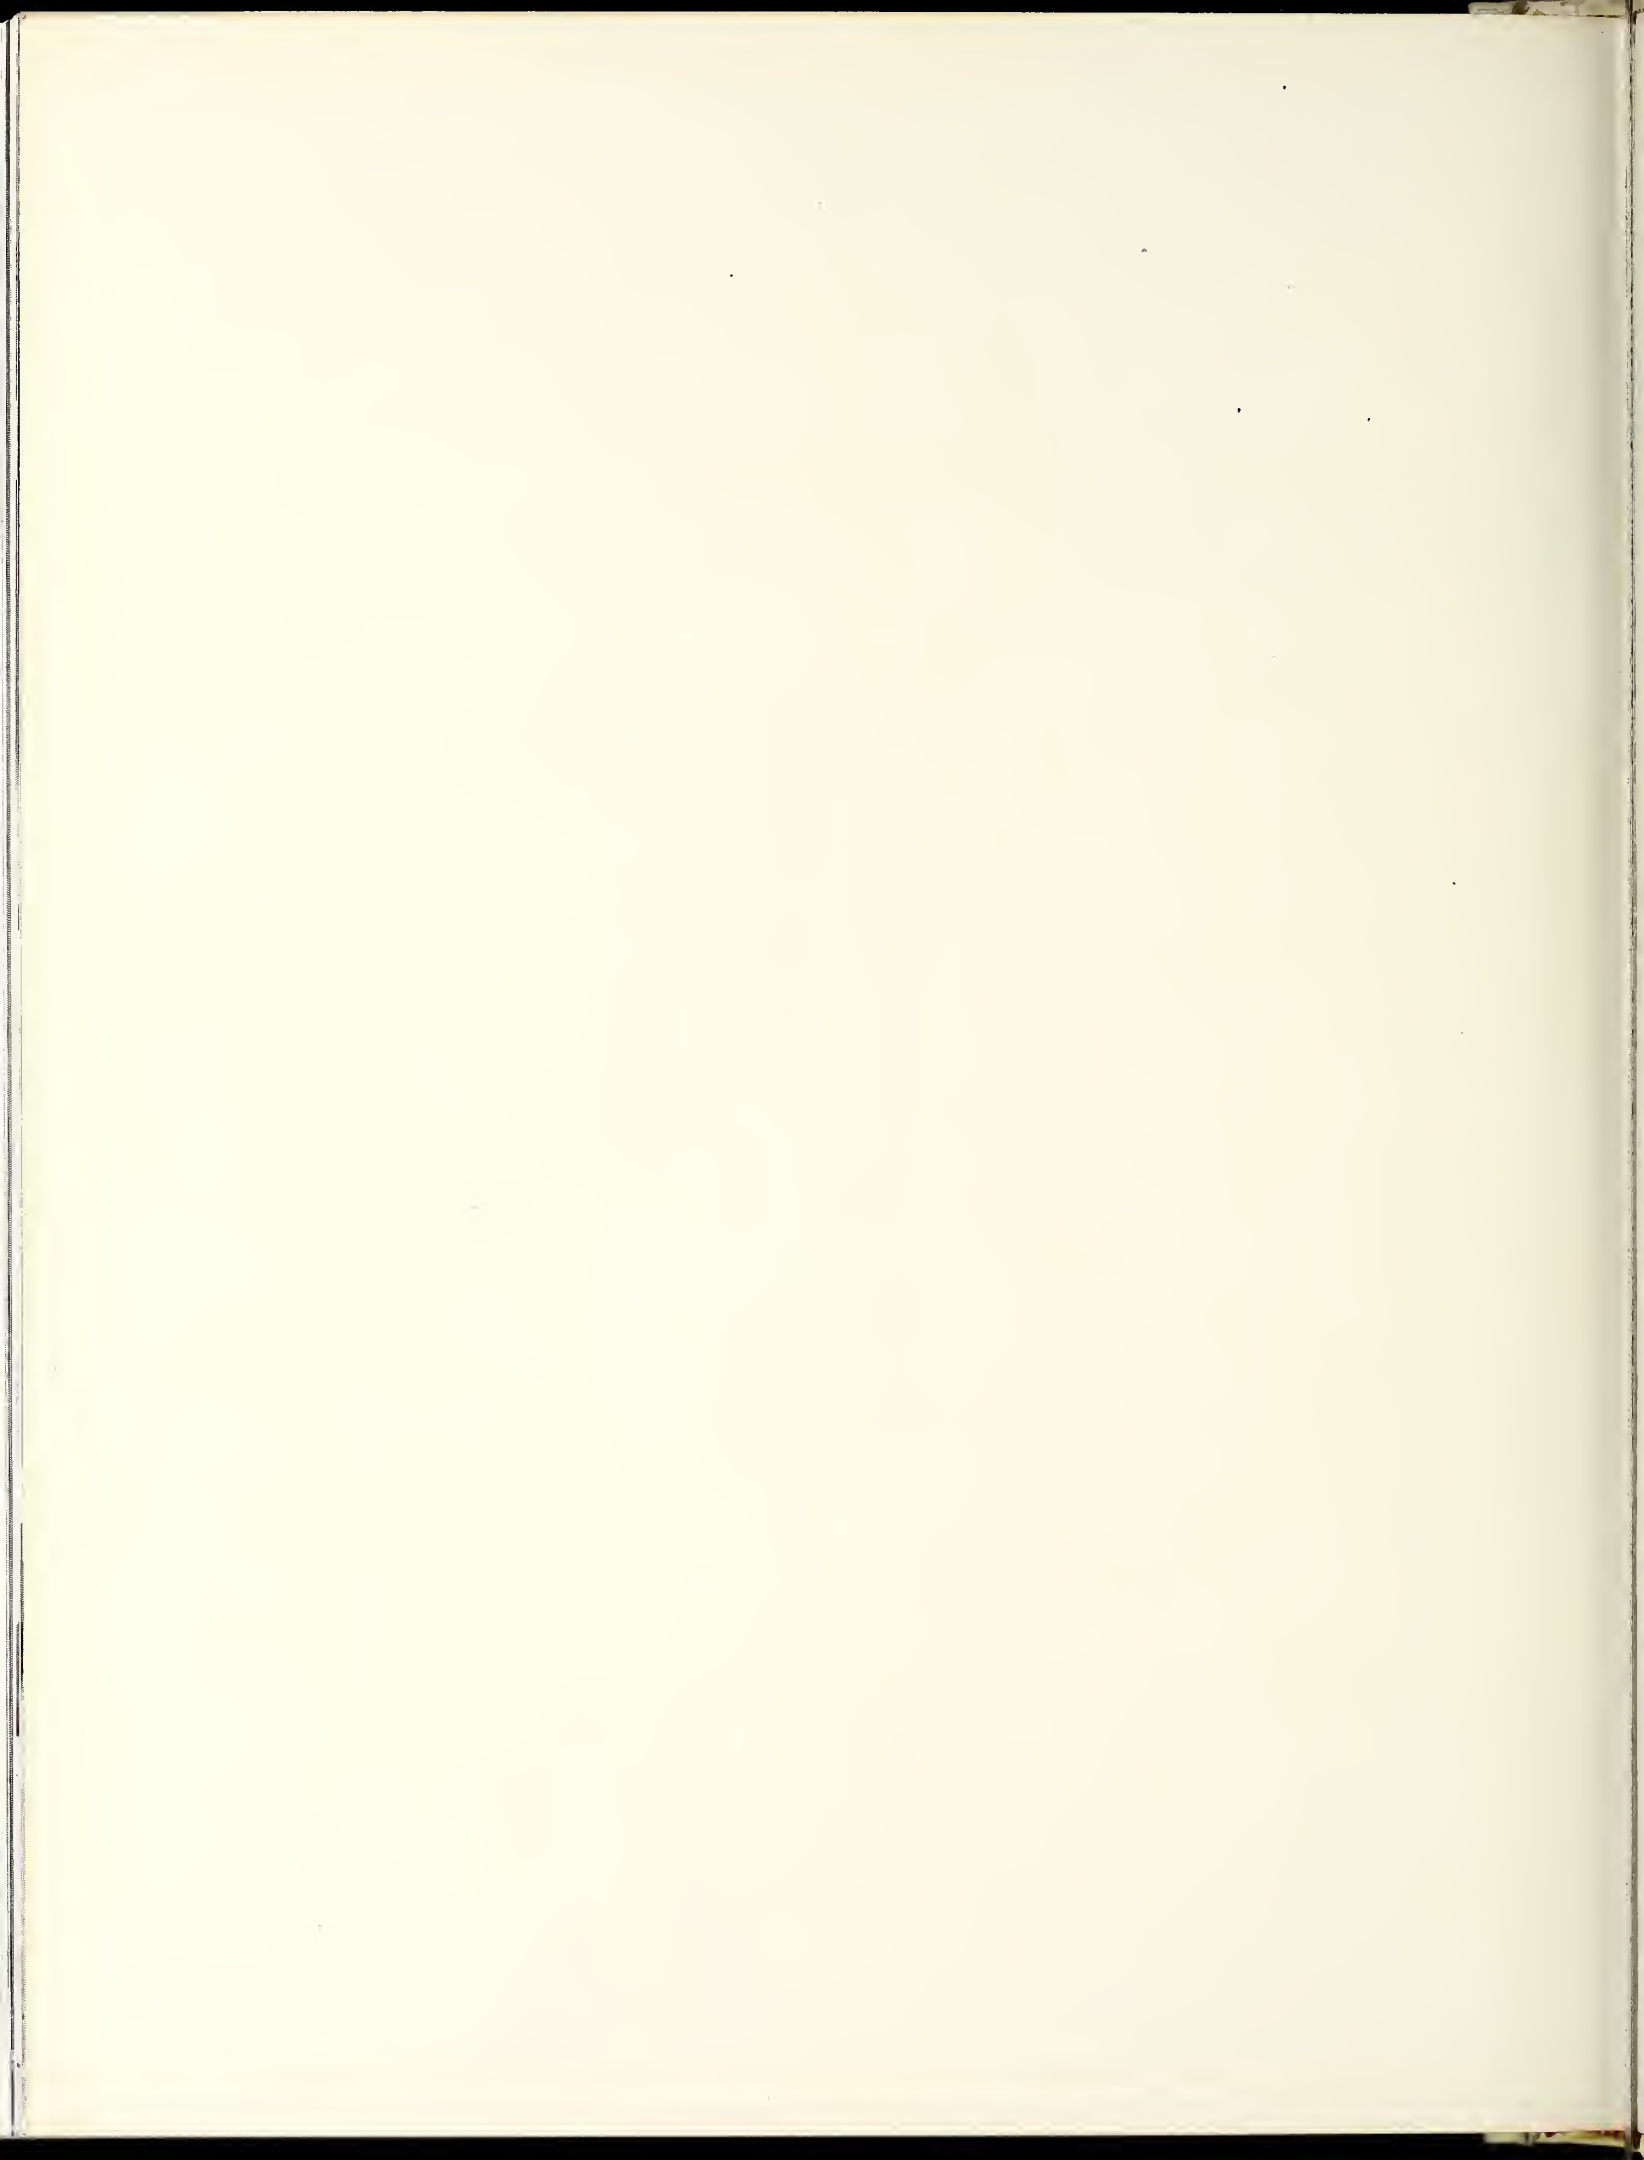

Sweetheart nominees—

Come on, Jo Ann let's have
a big smile.
